## TEACHING

1. During my orthopedic residency at Jordan University Hospital. I was Responsible for giving tutorials and demonstrations to undergraduate medical Students.
2. As a lecturer of Anatomy at Jordan University, I was responsible for teaching undergraduate medical and para medical students. Also I was responsible for teaching a special course for physical education students.
3. After I got my Ph. D. I returned to Jordan to re-join the teaching staff as an Assistant Professor. During that period, I was involved in teaching undergraduate of both medical and paramedical students, especially the embryology subject. Also I was involved in teaching a courses for postgraduate doctors to preparing them for primary exam of F.R.C.S.
3. My work as an Assistant Professor in anatomy department . (F.M.H.S.) involved in:-
  1. Undergraduate Teaching and Activities:-
    - a) Taught courses in gross anatomy by both lectures and labs, also laboratory demonstrations in histology.
    - b) Taught a different courses in embryology.
    - c) Taught a complete course of anatomy for physical education students.
    - d) Helped students to clarify some points in preparing the clinical seminars, especially in applied anatomy.

- e) Actively contributed to anatomical components of clinical students, and give applied anatomy for physical education students.
- f) Organizer of anatomy components of different modules.
- g) Prepared special prosections to build our museum.
- h) Acted as a coordinator for the Respiratory Module and Physical Education Course.
- i) Acted as a departmental representative for the Developmental Sciences and Neuroscience Modules.
- x) Shared in preparing a Health and Society Course (H & SC) for students from different Faculties of the U.A.E. University.

I taught the following subjects:-

- 1. environmental and Occupational Health.
- 2. Disease prevention and Health maintenance.
- 3. First Aid.
- 4. Vaccination.
- 5. Inherited Diseases and Health.
- 6. Modern Diseases.

2. Postgraduate Teaching and Activities:-

- a) I am teaching a course for the general practitioners (Resident Doctors) who are preparing to sit the primary exam of the MRCOG and FRCS of the U.K.
- b) Sharing in preparation of a course for Master Degree in our Faculty for future.

5. During my work as a Chairman of Anatomy Department and as a superintendent of Faculty of Medicine in AlQuds University, I taught a courses in anatomy and embryology for both undergraduate and postgraduate medical students as well as involved in a lot of commeties and administrative works.

6. My present work as a Dean of Faculty of Allied Medical Sciences in Arab American University, Iam involved in the following activities:

- i) Prepared the curriculum for the Physiotherapy, occupational therapy, lab technology and public health departments.
- ii) Iam teaching the following subjects for both allied medical sciences and dental students:
  - 1. Gross Anatomy.
  - 2. Embryology.
  - 3. Medical Terminology.
  - 4. First Aid.

- iii) Supervised and running the university clinic.
- iv) External examiner for the following thesis for master degree:
  1. Congenital Hypothyroidism among Palestinian Children of the West Bank 8.6.2001.  
Issa Ibrahim Ishtayia- An Najah University.
  2. Position and Roles of Islam from the environmental and public health.  
Mustafa Naif Younis 18.6.2001. An Najah University.
  3. HBV status among vaccinated family members of HBV positive Carriers in Northern Palestine 1.10.2001  
Khaled Abu Katter- An Najah University.
  4. Post partum Thyroiditis in Palestinian Women  
Talal Fayiz Frihat- An-Najah University
  5. Thalasemia Trait in Jenin District.  
Ibrahim Kurawish – An-Najah University

## **ADMINISTRATIVE & COMMUNITY SERVICES**

A- During the previous work (in Jordan, UAE and ALQuds University):

- 1- Shared in organizing modules in anatomy and embryology.
- 2- Evaluation of applications for staff and technical positions.
- 3- Member of a lot of committees.
- 4- Departmental representative and coordinator for different courses.

B- During this period (in Arab American University) I am involved in the following activities:
