

Curriculum Vita
Eng. Muhammad R. Al-Jabi

Personal information:

Date of birth: 30/1/1979

Address:

Faculty of Engineering
An-Najah National University
Nablus
Palestinian territories

Email: mjabi@mail.najah.edu

Academic Qualifications:

- MSc in Computer Engineering. Jordan University of Science and Technology, Jordan. August 2005.
- BSc in Electrical Engineering. Birzeit University, Palestine. July 2001.

Employment and work experience:

- September 2005- present: instructor, Department of Computer Engineering, Faculty of Engineering, An-Najah National University.
- October 2001- February 2003: instructor, Hisham Hijawi Collage of technology, An-Najah Nation University.
- August 2001- November 2001: Technical services engineer, JAWWAL.

Research interest:

- Divisible load theory analysis and modeling.
- Data mining.
- Cryptography and encryption algorithms.
- Real time algorithms.
- Distributed multimedia databases.

Teaching:

- Computer Networks.
- Advanced programming and data structures.
- Object oriented programming.
- Advanced algorithms.
- Advanced database.

Conferences attended:

- Palestinian Faculty development program, Bethlehem, Palestine, June 2008.
- The first conference in technical education in Palestine, Nablus, Palestine, April 2008.

IT Technical certificates:

- Sun Solaris Network Administrator.
- Sun Solaris certified system administrator.
- Sun Certified Java Programmer.
- Cisco Certified Professional (CCNP)
- Cisco Certified Network Associate (CCNA 2.0).
- Prometric Testing Center Administrator.
